APRIL IS SEXUAL ASSAULT AWARENESS MONTH

Advocates aim to increase awareness for Sexual Assault Awareness Month (SAAM) by partnering with the community for events. The Teal Street renaming event gave opportunity for UWSP's Chancellor, Dean of Students, the Portage County District Attorney, and Victim Witness Coordinator to share their commitment to building safer communities. Fourth Ave will be renamed Teal Street for the month of April as a reminder of the effort being done to support survivors of sexual assault.

Denim Day 2024
