

# FRIG CERAMIC

2022  
*Hand Crafted*  
PRODUCTS

We are a Tableware & Houseware  
Manufacturer & Distributor from Turkey.

We are proud to serve distributors for years,  
aim to make your work easier with our  
production and logistics experience.

Our service starts with the creation of the  
order and continues uninterrupted until it is  
delivered to your warehouse.

*Let's Talk*  
**ABOUT US**

In this catalog you will see  
our completely handmade,  
authentic looking home and  
kitchen items.  
It's called Nakkaş Series!

FRIG CERAMIC

# VARIOUS STYLES & SIZES

We can produce various shapes and each product can be produced different sizes, so you can make a product family!

We don't do mass production, so we can produce different designs and colours even small quantities!

All of our products are handmade and this will create a premium, value-added range in your portfolio.

# FEATURES

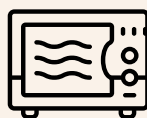

You can see our handmade products all over the world in hotels, cafes and restaurants, souvenir&gift shops and houseware stores, as well as department stores.
