

VOTE for **Ray Douglas**

Park County Commissioner, District 3

The following is an endorsement letter by Charlie Schultz dated 10/26/18.

Ray Douglas for Commissioner

Please vote with me for Ray Douglas for District 3 Park County Commissioner. I believe that Ray is the most qualified candidate for Commissioner. During 2017 and 2018 Ray has traveled the entire County attending meetings to find out the pulse of the residents. Ray attended BOCC meetings and work sessions to observe how the Commissioners perform the governing of Park County. As a Fairplay Town Trustee his leadership has been recognized by being elected Mayor Pro Tem. Involvement in the Town government has exposed Ray to issues, problems, policies, individuals, and agencies that are similar to those which the County deals with. The experience that Ray has, the efforts to familiarize himself with the County as a whole, and observing the process that is used by the Commissioners will give him an advantage to perform the position of Commissioner.

One of the characteristics I want in a Commissioner is commitment. I believe that Ray has exhibited this value in his lifestyle. Ray is a 5th generation Coloradan, attended schools in Colorado including CSU, lived in Park County for 26 years, married to Monica for 32 years, and has run a successful self-employed business for 30 years. Ray has indicated that the Commissioner position would be a priority for him. He will be prepared for the meetings and attend the complete meeting as required.

Ray has stated that he will be available to meet and listen to residents of Park County. I believe that Ray will make decisions that protect the heritage of Park County, the water quality of the County, and preserve the residents rights fairly and unbiased. Cast your vote for Ray Douglas and be assured that his voice on the Board of County Commissioners will make a difference.
