

Ray Douglas

Park County Commissioner, District 3

I am humbled and extremely grateful by the amount of support I received in the General Election. There was a very high voter turn-out, especially for a mid-term election. Thank you to all of the voters in Park County.

It has been a pleasure meeting so many residents throughout Park County and I certainly want to thank the people that voted for me. I hope your trust in me serves you well as I strive to lead the county as the Commissioner from District 3. I do believe this new endeavor will be very rewarding and I am looking forward to January 8th when I will be sworn in. Thank you very much for this opportunity.

Thank you to both Michele Wayland and April Dawn Knudsen. I think that we all behaved admirably and showed respect to one another, which is so rare in politics as of late.

Thank you to my family and friends. Your unwavering support has meant more to me than I can say.

Thank you!
