Thank you for choosing our office to provide you with medical care. We are committed to serving you with skill and high-quality care. The medical services provided by our office are services you have elected to receive which may imply a financial responsibility on your part.

INSURANCE: We participate in most insurance plans. If you are not insured by a plan we participate with, payment in full is expected at each visit. If you are insured by a plan we participate with but do not have an up-to-date insurance card, payment in full for each visit is required until we can verify your coverage. Knowing your insurance benefits is your responsibility. Please contact your insurance company with any questions you may have regarding your coverage.

MEDICARE: We are a participating Medicare provider. Medicare as well as your secondary insurance (if any) will be billed for you. However; that does not mean that all services are covered. Patients are responsible for paying their annual deductible if it has not yet been met. You are also responsible for any coinsurance, which is usually 20% of the allowed amount for an item or service.

SECONDARY INSURANCE: Your medical claim will be forwarded to your secondary insurance (if any) after payment and/or explanation of benefits (EOB) is received from your primary insurance company.

Failure on our part to collect co-payments and deductibles from patients can be considered fraud. Please help us in upholding the law by paying your co-payment at each visit.

SELF PAY: Payment in full is due at the time of service if you do not have health insurance.

NON-COVERED SERVICES: Please be aware that some of the services you receive may not be covered or not considered reasonable or necessary by Medicare or other insurers. You are responsible for payment of these services.
