

August 2026

August Started Off

Sizzling HOT...

Miserable HOT! See our Weather Station for proof! It recorded 103 degrees on August 1st at 4:28pm. People think the Montana Winters are bad. They don't even ask about our summer temps.

Xena came for a sleep-over visit..

After breakfast it was time to get 'work clothes' on and go for a s-l-o-w 4wheeler ride to move the cows. "Come on cows" sounds so cute coming out of the mouth of a toddler. Here she is in her work clothes; 'horse girl boots', long sleeve shorty dress, winter gloves all topped off with my Carhardt cap.

Combined Birthday Celebration... we have four birthdays the end of July and into August so we do a combined birthday celebration for us. It works out great! This year we used the '3' candle three times. Me 73, Kwinci 53 & Ilda 43. Aila shared her '7' candle with me. We each received our own birthday song; same as last year. It was fun fun fun!

Back to School already!

Kreston is in 6th grade, Mia is in 4th grade and Aila is in 2nd grade.

Drop by if ever in our 'neck-of-the woods'!

Take Care!
