

Atabey Herbals – Product Disclaimer & Safety Information

IMPORTANT NOTICE: PLEASE READ BEFORE PURCHASING

At Atabey Herbals, we are committed to providing high-quality, handcrafted herbal products rooted in traditional plant medicine. While our products are formulated with carefully selected herbs known for their traditional benefits, it is important to use them responsibly and consult a healthcare professional when necessary.

General Disclaimer:

- The information provided on this website and in our product descriptions is for educational purposes only and is not intended as a substitute for professional medical advice, diagnosis, or treatment.
 - These products are not intended to diagnose, treat, cure, or prevent any disease.
 - Individual results may vary. Herbal remedies work differently for each person, and consistency in use, lifestyle, and diet can influence effectiveness.
-

Safety & Caution Guidelines:

Before using any Atabey Herbals products, please review the following precautions:

Consult a Healthcare Professional If You:

- Are pregnant, nursing, or trying to conceive
- Have a pre-existing medical condition
- Are taking prescription medications (including blood thinners, blood pressure meds, diabetes meds, etc.)
- Have known allergies to plants or herbal ingredients

Stop Use & Seek Medical Attention If You Experience:

- Unusual side effects such as allergic reactions, nausea, dizziness, or adverse symptoms
- Interactions with prescribed medications or unexpected health changes

Not Intended For:

- Children (unless specified for pediatric use)
 - People with known allergies to specific herbs
 - Individuals undergoing surgery (certain herbs may affect blood clotting)
-

Product-Specific Cautions:

Certain tinctures and herbal products may have specific usage cautions due to their unique ingredients. Please refer to the individual product page for additional safety information.

Example Cautions:

- Blood Thinners & Circulatory Products (e.g., Atherosclerosis Support, Ginkgo-based formulas) → May interact with anticoagulants.
 - Immune-Stimulating Herbs (e.g., Lupus Support, Astragalus, Echinacea) → May not be suitable for autoimmune conditions.
 - Hormonal & Adrenal Formulas (e.g., Adrenal Support, Licorice-based blends) → Consult a doctor if managing hormone-sensitive conditions.
-

Responsible Use & Wellness Commitment

Atabey Herbals encourages holistic well-being, and our products are meant to complement a balanced lifestyle, not replace medical care. If you have any questions about our products, feel free to contact us at [Your Email].
