ABOUT US

Fostering the Magic was founded in 2021 by a local family attorney, Jessica McDonald. Christina Perrone, another local family attorney quickly joined her and together, they set out to make a meaningful impact for children in long-term foster care. We work directly with CASA, Empower, and other attorneys ad litem to grant the wishes of children in long-term foster care.

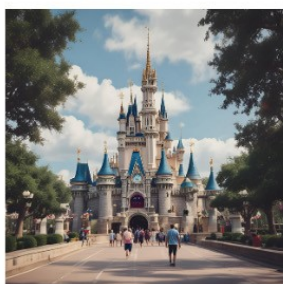

OUR VISION

A future where children in long-term foster care in Texas have community support, mentorship, and help with transitioning into adulthood and creating memories of exceptional birthday parties and vacations along the way.

OUR MISSION

We strive to help children in long term foster care celebrate positive events to foster community, love, and belonging.

01.

Giving birthday, Christmas , and graduation gifts that are good quality.

02.

Mentorships to help with emotional regulation and foster a sense of belonging.

03.

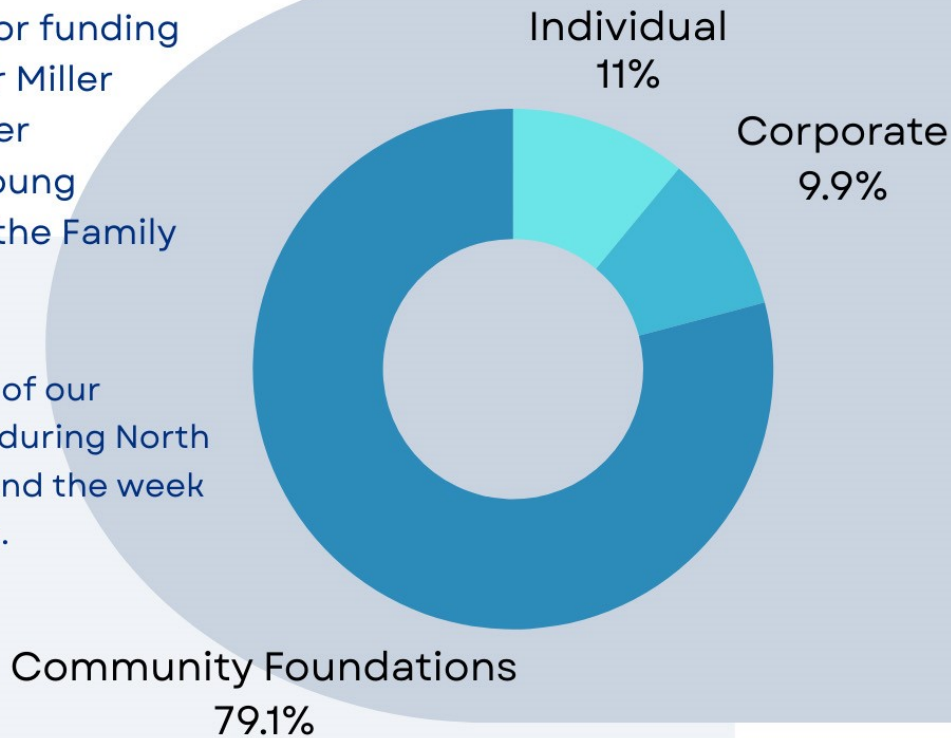

Experiencing magical vacations.

ANNUAL DONATIONS

We received major funding from the F.W. Fair Miller Foundation, Glaser Foundation, FL Young Foundation, and the Family Foundation.

We received most of our individual funding during North Texas Giving Day and the week after Thanksgiving.

Impact Report

A message from our director

As I reflect on the year I am filled with immense gratitude and pride for the work we've accomplished together. Our mission to bring hope, belonging, and excitement for the future to children has reached new heights, thanks to your unwavering support. This year we served children in Hunt, Fannin, and Collin Counties and look forward to more expansion.

New Year Objectives

In 2025, we look forward to further growth. We have a full time staff member that is dedicated to raising awareness of our mission by attending local festivals, trade days, and speaking with church's congregations. Our goal is to take children to Universal Studios this year. We're expanding to Cooke, Grayson, and Denton County to serve all of Region 3.
