

WELLNESS PROFESSIONALS WANTED

Want to Become a Medical Mile Pro?

Seeking Independent Contractors and Business Owners

Do you work in the health & wellness industry and love helping people?

Are you a licensed massage therapist, chiropractor, esthetician, pilates instructor, naturopath, energy healer, wellness coach, physical therapist, personal trainer, counselor or LSW?

Are you an independent contractor or a business owner looking for a collaborative space?

We Are In Search of Professionals Who Are

- Confident in their skills and the services they provide
- Passionate about excelling in their area of expertise
- Motivated to grow their client base, expand their services, and deepen their knowledge
- Committed to delivering exceptional care and a positive client experience
- Collaborative team players who value a supportive, professional environment

About Us

Medical Mile Massage and Yoga Therapy is a professional wellness practice offering traditional, time-tested health and wellness treatments from around the globe. Since our establishment in 2017, we have proudly treated thousands of clients with Massage, Yoga Therapy, Acupuncture and Traditional Chinese Herbal Medicine, Energy Healing and more. Our clients prioritize their health, and we aim to provide them with the highest-quality, most effective options under one roof.

The Space

The lower level of our clinical space features five treatment rooms, each equipped with a massage table, sink, and storage cabinets. This level also includes a reception and waiting area, a staff break room, and a handicap-accessible entry and restroom.

Our 1,800 sq. ft. upper level professional office space is available for rent. This space offers seven treatment rooms with storage cabinets and optional hydraulic massage tables, as well as a coded entry system, a shared classroom for wellness events, and a reception area.

Want to be a Medical Mile Pro?

We are offering two different options for wellness and medical professionals to become part of our care network.

> Option 1: Independent Contractors

We are in search for on-call, part time, and full time LMTs

General Availability Window: 7 days a week, 10am -7pm (flexible within this range)

Perks for Independent Contractors Include

- Marketing support to showcase your expertise and offerings
- Access to a full schedule of existing clientele
- Use of Mind Body scheduling system for streamlined bookings
- Opportunities to expand your knowledge through workshops, trainings, and mentorship
- Spacious, fully equipped clinic rooms with hydraulic massage tables
- Access to our community classroom space for events or workshops
- Supportive, professional environment that encourages growth and collaboration
- Quarterly massage protocol training and grants for continuing education

> Option 2: Business Owners to Rent Clinic or Classroom Space

Perks for Tenants Include

- Ability to market your services to our existing clients
- Access to four private clinic rooms, with optional hydraulic tables
- Use of our community classroom for workshops and events
- Grow your business within a thriving, professional community
- Supportive and collaborative environment
