...do justice, love kindness, walk humbly with God.  
Micah 6:8

As an MCM community outreach project in Cavaillon, Haiti, we provided about 250 locals with a meal. Every person there was given a lunch box containing chicken, rice and vegetables, along with a drink. This little girl came in, sat down on the new

school backpack she had just received from MCM and began eating. She ate slowly, methodically and without any expression of emotions. I was captivated by her beautiful little expressionless face as she ate. I did my best to get her to smile for a photo but all she would do was look at me like this while she continued to have here lunch. When I asked why she, like most of the other children, showed no expression, I was taken aback by the answer. This was the first time in her life that she had more food then she could eat in one sitting. What must have been going through her mind? I cannot imagine. By God's grace we were able to feed her, along with several hundred others, a wonderful meal while sharing His love with them.

*Please continue to pray for her.*
