

A GREAT RELEASE TO BUILD

[Prophetic Word given to Prophet Ken Dewey]

Noah and His Sons Build the Ark Genesis 6:14-16

In the beginning as I heard the Lord speaking about building a Place in the Desert for the End Times, I heard the Lord speak these words to me, and they have been a foundational Word which Is ongoing even today as I work to build that place which I call Desert Zion.

I wrote his words down as he spoke them to me, to follow:

ABUNDANT PORTION Poured OUT BECAUSE I AM BUILDING. I AM STRIPPING THE WEALTH FROM THE WICKED TO BUILD MY KINGDOM ON EARTH. [MANY PLACES FOR MY PEOPLE, ALL ACROSS AMERICA AND THE WORLD].

DISTRIBUTION CENTERS TO FACILITATE MY WORK! Oh what a

Word and a Wonder as the Pieces of the End Time Kingdom form. THE WORLD HAS NEVER KNOWN OR SEEN ANYTHING LIKE MY MODEL COMING FORTH. NO PLAN HAS EVER EXCEEDED IT FOR I AM THAT I AM. [note: He has spoken to me in the past about an IMPARTATION STATION, where many would come for help and be sent out with much more than they came in with. In this place many would be in a safe place during the coming storm.]

Rise and build like Noah built. Noah put the pieces together to build the Ark of Safety like the world back then had never seen or imagined. Noah built the Ark to FLOAT ABOVE THE TURMOIL OF RAGING WATERS. It was a CENTER OF SAFETY, AN ARK FULL OF ROOMS. Two by Two they came into it. Oh see my Family, as they will repair my broken families and they will flourish in love provision. No MORE LACK OF PLACES. NO MORE OBSCURITY NOW. SEE THE LIGHT UNFOLDING AS THEY COME IN.

I AM CALLING THEM TO COME IN. WATCH THEM WALK IN AND SEE THE CHILDREN IN EACH FAMILY AS THEY BUILD MY ARK.

Noah was One Man and his Family One Family, but Oh see the many Noah's, See the multiplication because I have MANY PEOPLE NOW. The World back then was new and small, but now it is HUGE. I have people like the Stars in the heavens. Oh See them Sparkle and Shine!

I AM BUILDING MY ARK. RISE UP AND BUILD.

Noah was rejected. He was Laughed at and scorned, but yet he was A BUILDER OUTSIDE THE CAMP. He went out of the normal. He went out to the Desert and there he took the building materials at hand, and from gopher wood he built. What he built was a monstrosity in the eyes of all who saw it. They did LAUGH HIM TO SCORN. He was not celebrated but he was ridiculed and mocked. But

NOAH KEPT BUILDING UNTIL THE DAY DESTRUCTION CAME, THEN HIS FAMILY CAME INTO THE ARK AND ALL 2X2, AND OCCUPIED HIS BUILDING. Rain Came and washed them, smashed them; those outside the Ark. Inside the rooms, full of safety and provision each inside was SAFE.

Oh, the lesson you must study of Noah's Ark. See it Safe and see it floating above the Storm. The enemy sent out a Flood and the Earth opened its mouth and swallowed them all up, but Noah and all his Family were Safe from Harm. What happened had never happened before. What a story, Oh, What a scene. Watch as I protected them all within the Ark. No more laughing, no more mocking now; nothing but WEEPING AND GNASHING OF TEETH AS THOSE ON THE OUTSIDE LOOKED IN.

I AM A GOD OF SAFETY, AN ARK IN THE STORM. Oh even as Noah built a real Ark, so must you build. It was made of real gopher wood and the pitch was all real pitch. The nails holding it were really real. It was A REAL PHYSICAL ARK. It really existed, it was not a "figment of imagination," it was really standing on the real ground.

I AM GOD; IS THERE ANYTHING I CAN NOT BUILD? Why would I need a wooden Ark since I AM that I AM? The reason lies in the beholding. I wanted the wicked to see it built. I wanted to show them the real Ark. They did TOUCH IT and they did then turn and laugh. Hear them say: OH HOW STUPID, WHY, WHERE WILL IT FLOAT? THERE IS NO WATER UPON WHICH TO MOUNT IT! NO, ABSOLUTELY IT WILL NEVER FLOAT!

I wanted to show them they are not so smart. They had to see it else they would not fully see me. So build it, I DID. It really stood before them, a real Ark. The place to float it did come to the Ark and they watched the water come and wash it; sweeping it away to ride upon the tempest away to sail the sea. All who saw it perished outside it; IT NOW WAS NO JOKE!

I will again show the wicked, I will build my Ark. Yes, But this time, it must be much bigger because my family has grown! I AM calling Builders to COME OUT TO THE DESERT TO BUILD. Yes, PLACES that are rejected as unfit; nobody wanted it, so they gave it to the silly builders. But that which is now rejected is my sort of Work! I take that which the builders rejected and turn it into salvation. Oh, Yes! I AM ABLE TO TAKE EVEN THE STONE REJECTED AND MAKE IT STAND IN HEALING. I look for the worst and see the potential. I look and see different because I see by Faith. Faith is not a commodity the World even knows; they do not even comprehend it nor see beforehand. Men think they are so smart, why they even think they don't need me! See them brag in their achievements and technology, but little do they know I did create them with brains to think. They should stop to consider that I made them even able to think. Oh, how I can out smart them. I AM HIGHER YET. I AM FAR ABOVE THEM ALL WITH MUCH MORE YET! I can take what they think is

worthless and turn it into an Ark. I CAN PREPARE A TABLE IN THE WILDERNESS FOR MY PEOPLE TO FEAST!

Arise my many Noah's, take up your task and WORK TODAY ON THAT WHICH LOOKS IMPOSSIBLE to their weak brains. Arise and do it daily, never looking back; WORK FOR THE NIGHT IS COMING WHEN NO MAN CAN WORK! I AM YESHUA, Yes, In America, I AM JESUS CHRIST: see that you tell them exactly who I AM.

I AM THE ONE THEY REJECT, YET I STAND. I AM THE ONLY ARK FOR SAFETY.

I AM THE ONLY WAY EVEN IN THE DESERT.

I AM THE HOLY ROAD UPON WHICH TO WALK. NOTHING WILL WALK UPON THIS ROAD EXCEPT HOLY PEOPLE. I AM THE ROAD WAY!

I TELL YOU TO:
CALL THEM OUT TO THE REJECTED PLACES;
CALL THEM TO COME OUT FROM THE UNCLEAN
CALL THEM TO WALK THE HOLY HIGHWAY IN THE DESERT PLACES.
