

MY LIGHT IS BRIGHT

As given to Prophet Ken Dewey
February 18, 2023

I AM that I AM, turning darkness away from Many now for, My Light is Bright.
Darkness cannot remain where I AM fully shown.
Shine, I do, so bright that nothing can hide from sight.
I AM seen clearly seen.

I AM very Bright and expel the darkness, I do.
Nothing is hidden when I shine My Light.
Ever so Bright; the night flees away, Glory!
Yes, My Glory seen so Bright, nothing evil can breathe in my Glory.

Do you not understand me now?
I AM and I clear the Air.
The evil one thinks he is Prince of the Power of the Air, but he is dethroned.
I will not share My Glory with evil.

Pushing Back, yes, shoving backwards evil powers broken into pieces.
Scattered on the Ground.
Falling, yes, falling suddenly, crashing down.
Even defeated, yes, destroyed, evil crashes down.

I AM that I AM the Victor.
I AM total Truth, for how can evil conquer Truth?
Lies are seen and open dark sentences are made plain.
Yes, I AM Victor over him.

Never, No Never will evil win.

No Never can it remain.

I AM Bright as I have said, and darkness becomes Light.

Never more to deceive the one who sees!
