Spotlight: A Home for Our Youth

At Johnnie's Place, we believe every young person deserves a stable start. We are working to renovate a transitional house for youth aging out of foster care. So far, we have made significant progress:

- Replaced 21 windows throughout the home
- Installed new siding to repair missing or damaged areas
- Repaired the foundation to ensure long-term stability
- Added a secure fence to provide safety and privacy

In September, we plan to have the home professionally pressure washed to restore its exterior.

Our next critical goal is raising funds to fully re-plumb the home, including new lines from the house to the street.

We are seeking licensed plumbers to volunteer or offer discounted services. If you or someone you know can help, please reach out! Together, we can open new doors for our future leaders. ie.

Professional Volunteers Needed!

Share your expertise and make a lasting impact! We are seeking professional volunteers in these areas:

- Plumbing
- Electrical Work
- HVAC Services
- Tutoring and Mentoring
- Grant Writing and Fundraising Support

Join the Johnnie's Place family and help us continue changing lives!
