

DEATH OF SIGNIFICANCE TO THE CLUB POLICY

This policy has been established to provide the Camperdown Football Netball Club (CFNC) Committee Management a structured management process to identify and publicly recognise a 'death of significance to the Club'.

1. PRIOR APPROVAL PROCESS

Notification of a death must be received prior to a Thursday evening to allow enough time for a decision to be made in time for the Saturday or Sunday games, otherwise a decision will be held over for the following week's games. A minimum of three Executive Committee Members, one of whom must either be the President or Vice President will deliberate.

2. WHOLE CLUB BLACK ARM BAND RESPONSE

The following categories of deceased persons will ordinarily attract a black arm band response:-

- Mt Isa AFL League Life Members
- Current Mt Isa AFL League players and team officials
- Current Mt Isa AFL League Committee members
- Past Mt Isa AFL League players, who excelled by way of notable contribution to the club by number of games played (eg 100 senior games, or 250 Club games)
- Past Mt Isa AFL League volunteer, who excelled by way of notable contribution to the club during their tenure.
- A person with high local community impact

Additionally, to a Whole Club black arm band response, the following categories of deceased persons will ordinarily attract a minute's silence response where appropriate:

- Current Mt Isa AFL League and team officials
- Current Mt Isa AFL League Committee members
- A public announcement at the games each Saturday (if the family wish to)
