Our Mission

- 01** Providing learning and upskilling opportunities for every individual interested in learning the context of multiculturalism.
- 02** Supporting all Culturally and Linguistically Diverse (CaLD) people in our community to be more active in participating in the local events and networking opportunities.
- 03** Attracting and retaining more residents to settle in our region permanently by providing more cultural activities.
- 04** Assisting the newcomers from CaLD backgrounds to better settle and integrate into the life in Karratha (the Pilbara region) by providing the most suitable support.
- 05** Helping the residents from any cultural background feel more included in the region.

President's Message

It is absolutely a milestone to make it to our first year! I especially thank our office bearers Shan, Eva, and William, committee members Dina, Neia, Alan, Katherine and Claire, and volunteers for making our programs happen and succeeding.

Nonprofit organisations usually rely heavily on grants, funding and volunteers to sustain the programs. Over the past year, we received \$29,540.18 from the government and businesses; however, we still need to work on a model that will make the association more sustainable and can operate independently.

The Northwest Multicultural Association WA Inc. does not belong to any specific person or ethnicity; it prioritises Culturally and Linguistically Diverse people's interests in various fields such as education, career development, human rights, employment, and mental health. Other than ethnicity, we look forward to seeing more talents and professionals join the Northwest Multicultural Association WA Inc. in the future. We welcome the professions and talents to be part of the organisation, regardless of your cultural background.

A thousand miles begins with a single step! There is a need in the community to support Culturally and Linguistically Diverse people and help them achieve the goals they want to reach.

Event Highlights

For the year ended 30 June 2022

Lunar New Year Celebration

Mr. Kevin Michel MLA and The City of Karratha supported our first event to celebrate the Lunar New Year 2022. The event attracted around 100 participants to join our showcasing cultural workshops such as traditional calligraphy, paper-cutting art craft, kid's lion dance experience, and meet the Cai-Shen.

Harmony Park Run

The Harmony Park Run is co-organised with the Bayview Park Run to raise awareness of the cultural diversity in Australia. There were 25 runners on the day celebrating multiculturalism together. This event is part of the Harmony Week program supported by the Department of Home Affairs and the Regional Arts WA.

'Our Stories in the Pilbara' Photography Exhibition

More than twenty current and former Pilbara residents were invited to contribute the photos that best describe their lives and feelings when living in the Pilbara. 'Our Stories in the Pilbara' photography exhibition at the Dampier Community Hall is part of the Harmony Week program to show the community with history, different stories and life experiences.

Japanese Origami Workshop

Department of Home Affairs and the Regional Arts WA supported the Harmony Week program. Even though the COVID cases surged again in March 2022, Keiko and Akiko successfully facilitated the Japanese Origami workshop in the Karratha Shopping Centre and got our community to join. More than twenty kids and young people joined the workshop and made their Pikachus!

Hedland Community Visit

In May 2022, we volunteered for a community visit to Port Hedland. Besides an indoor session, this trip includes visiting the PHCCI, Wanangkura Stadium, Port Hedland Boat Ramp, and the town centre. This trip aims to expand our community service to Hedland in the near future. (William Lee)

CITIC Pacific Mining Supports the Community

Luci and Tom from CITIC Pacific Mining attended our Mandarin and Chinese Culture program in May 2022. The facilitator Frida Gao introduced the history, origin and traditions of the Lunar New Year and showcased the materials that are commonly seen during the new year.

National Volunteer Week

Volunteers are crucial to most nonprofit organisations! Volunteering WA grants supported our organisation in acknowledging the contributions of our community volunteers. Twelve volunteers joined the morning tea and celebrated National Volunteer Week at the Soak in Dampier cafe.

Experience the Dragon Boat Traditions

Experience the Dragon Boat Traditions is part of the program supported by CITIC Pacific Mining. Garlbagu supported this event by providing the venue for our sticky rice dumplings and perfume pouch workshops to join their Maker's Market event. More than 100 patrons participated in the DIY experience and enjoyed a different culture on the day!

Baking Around the World

Baking Around the World is a capacity-building program funded by Woodside Energy. The facilitator William hosted eight workshops between May and September 2022 and taught the participants to bake famous worldwide desserts from scratch. (William Lee)

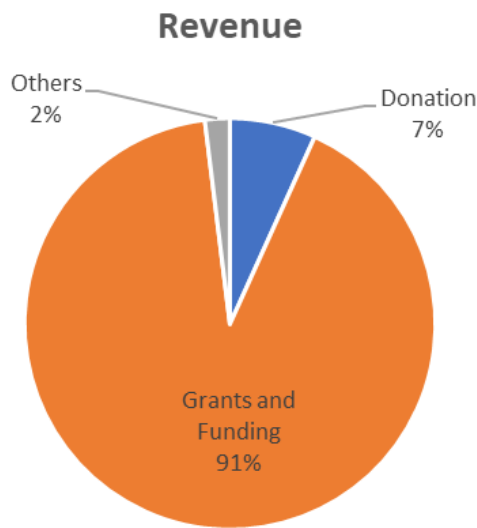

Learning about Yum Cha Culture

Learning about Yum Cha Culture was one of the most popular events in 2022. Bajlgu Maya Cafe at the TAFE Karratha campus supported the venue and allowed the participants to learn about tea culture and the cuisine on the day.
