Dear Producer,

This year, [Brian Nadon](#) towed his Golden Retriever 6,500 miles in 130 days throughout the USA. Together they worked effortlessly to bring awareness to individuals effected by PTSD and Complex-PTSD.

The journey began in Vancouver, BC Canada and will finish at 1:00 pm - August 4th, 2019 at the [Ground Zero 9/11 Memorial in New York City](#).

The 2019 tour stops included Washington State, Oregon State, San Francisco, Los Angeles, San Diego, Phoenix, Utah, Las Vegas, New Mexico, Oklahoma City, Dallas, Nashville, Chicago, Washington DC, Baltimore, New Jersey, and New York City.

Why Are We Newsworthy?

In 2018 Brian Nadon cycled 5,000 miles across Canada. In less than a year, the pair of cycled over 11,000 miles. Your newsworthy benefit; Mental-health and PTSD are both subjects the public currently embrace and support. Now throw in a Golden Retriever named Ginger-Bella and you have a segment or article everyone will embrace.

Hopefully, we've piqued your interest, you'll contact us soon, or we'll see you August 4th, 1:00 pm at [Ground Zero 9/11 Memorial in New York City!](#)
