NOTICE

TO ALL CUSTOMERS OF THE TOWER CITY BOROUGH AUTHORITY

At a meeting of the Tower City Borough Authority held Monday, November 3, 2025, a lengthy discussion was held regarding the financial position of the Authority. Increased operating and maintenance costs, present and proposed construction costs, and additional capital outlays indicate the Authority cannot meet their financial responsibilities without additional revenues.

As a result, the directors unanimously agreed by motion to adjust the present rate schedule in such a way as to meet their financial obligations. Therefore, the following schedule of rates will apply to all bills rendered on or after January 1, 2026.
