

Flying Over Iwo Jima By Mike Haas

Our history is emblazoned,
With the raising of Old Glory.
High above the Battlefield raging,
Unfurled for history and story.
The most iconic moment in time,
Overshadowing the losses below.
Perseverance and follow through did shine,
As the dust settled with a righteous glow.
Our Country embraced the efforts,
As our Corps created an icon.
For eighty years this symbol networks,
Our resilience, perseverance and ability to be relied
on.
