OFFLINE PLEDGE FORM

Partnering together, Epilepsy York Region (EYR) and Epilepsy Durham Region (EDR) are excited to present the first annual Great Skate for Epilepsy. EYR and EDR are both non-profit community organizations that have been supporting their communities for well over three decades, with a mission to advocate, support, educate, and develop inclusive programming to allow individuals to feel empowered while living with epilepsy.

The Great Skate for Epilepsy offers an online peer-to-peer platform to enhance your fundraising, but we recognize that many potential donors would prefer to support you with cash or cheque. Please ensure that ALL donor contact details are provided for charitable tax receipting purposes.
