

*A Webinar on Civic Engagement for BLM Partners  
in the State of Utah*

**You Pick the Date and Time**

The topics covered include but are not limited to:

- I. Current Political Party Leaders in the House and Senate and their agendas in the 118<sup>th</sup> Congress
- II. The Legislative Process with a focus on the Senate and House Committees with Jurisdiction over BLM Issues
- III. The Appropriations Process to identify the Senate and House Appropriations Subcommittees with jurisdiction over the BLM budget
- IV. Strategies for connecting and working with Congressional Players, both the elected (politicians) and the unelected (staff)

**How to Engage?** In this virtual webinar you will participate in various skill building exercises. Your shared experiences will provide a perspective of how Congress affects the work of the BLM.

**Webinar Needs:** This virtual webinar will be hosted over a web-based platform using Microsoft Teams or Zoom. Woods Institute will be responsible for course components including oversight for audio, video, and file sharing.

**Please download:** This participant guide and in due course, the associated webinar PowerPoint file slides will be emailed to participants.
