What it Means for Your Agency**
You Pick the Date and Time

All Aboard: Welcome!

After an historic delay in the election of Speaker of the House of Representatives the 118th Congress was finally sworn in on January 7th, 2023.

Woods Institute is pleased to offer a webinar providing participants with up-to-date details of the leadership of the new Congress including the latest Committee assignments relevant to their Agency. This webinar* will provide an objective assessment of how any priority shifts of the Biden Administration in 2023 may impact your agency.

Federal employees must know about the legislative and budget processes on Capitol Hill that affect their agencies. Knowledge of these processes and the significance of the President's Budget Request for the fiscal year of 2024 will provide participants with the tools to effectively implement federal policy in the field.

The main topics covered in the seminar are:

1. Current Political Party Leaders in the House and Senate
2. Senate and House Committees and Subcommittees with Jurisdiction over your Agency
3. President's Biden's Budget Request for FY 2024 and its impact on your Agency
4. Working with Congress

Participants may register by contacting woods@woodsinsitute.com using either a government credit card or with an SF-182. The tuition fee for this webinar includes course materials.
