

MK-W

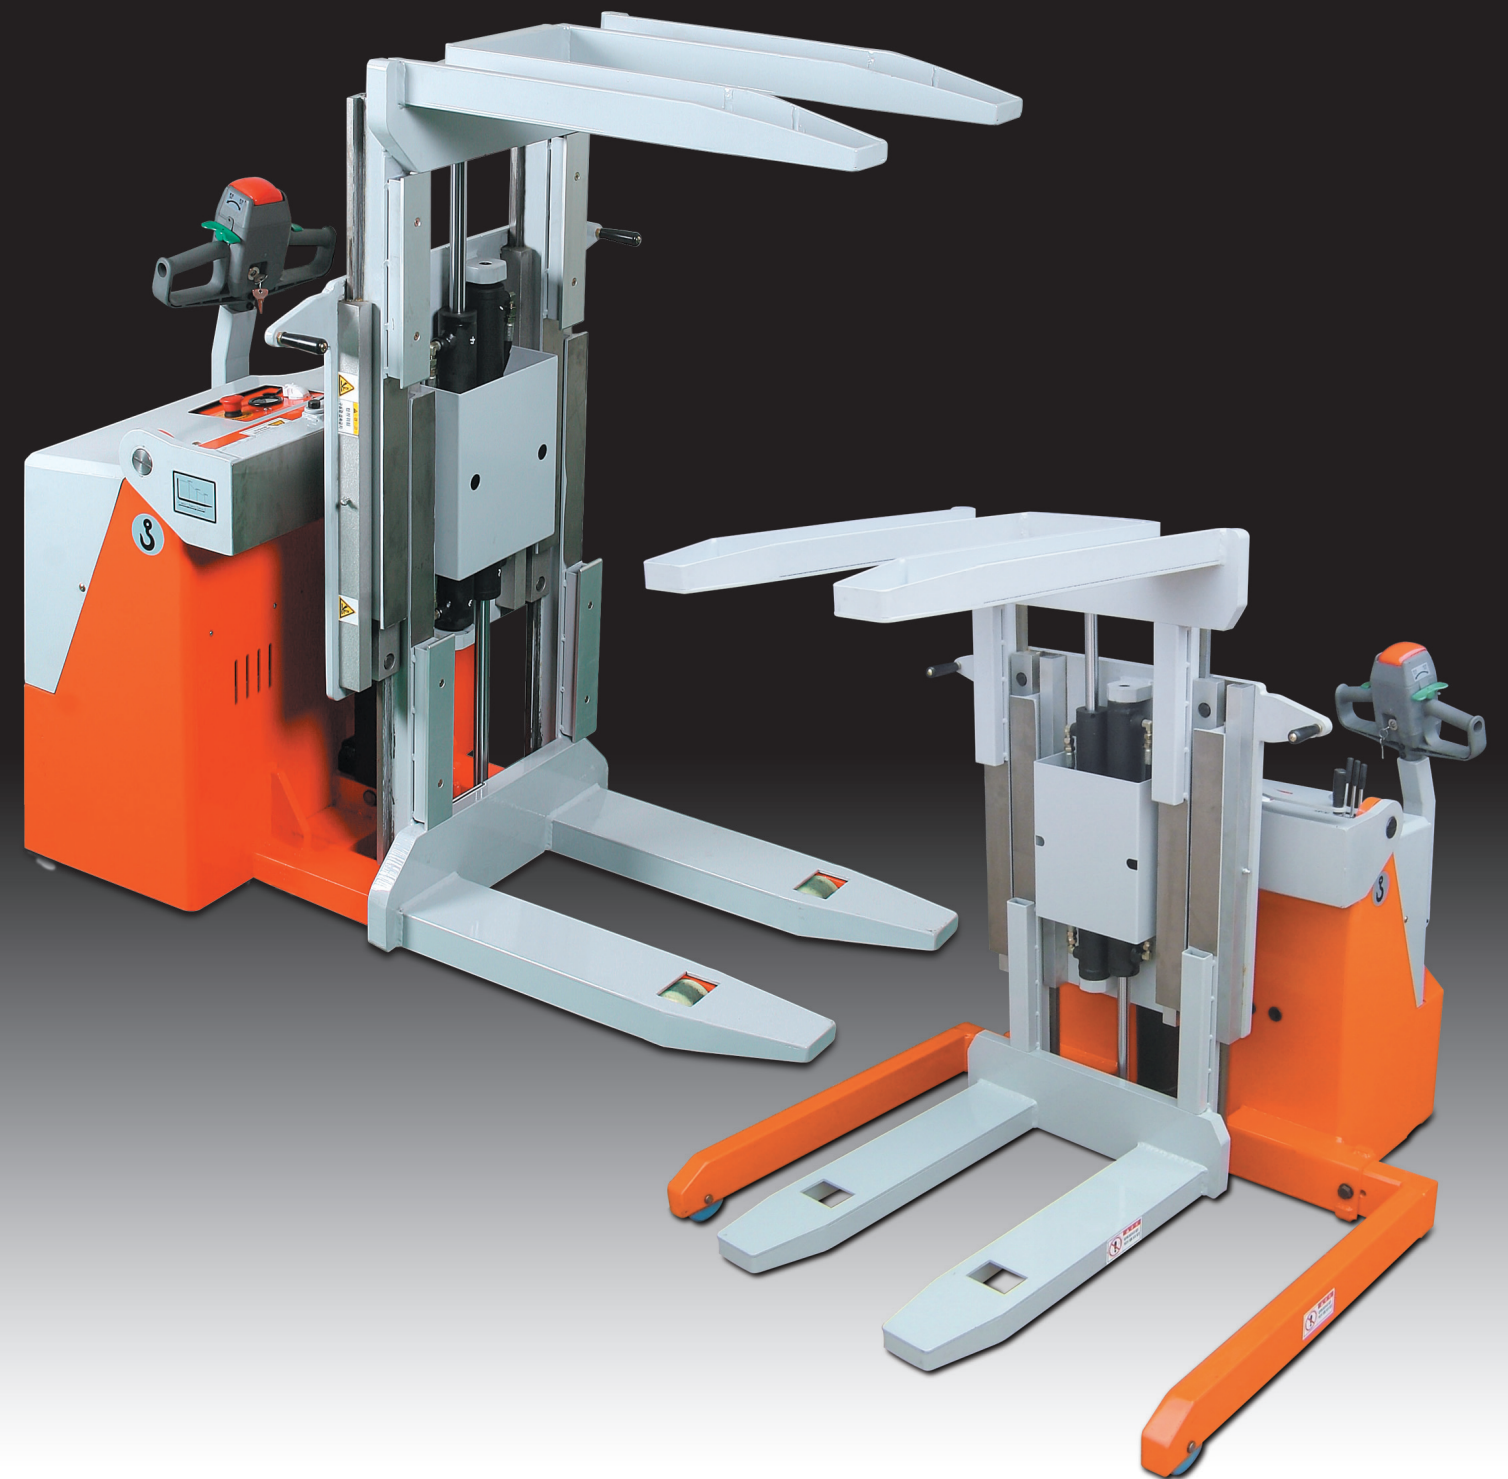

MK-E

Technical Specification

Load Capacity (max.)	1,000kg / 2,200lb
Paper size (max.)	1.1m*1.1m / 43in*43in
Operation Range	520 × 1,320 mm / 20.5 × 52.0 in
Fork Size	750 × 150 × 60 mm / 29.5 × 5.9 × 2.4 in
Dimensions(L×W×H)	1,520 × 850 × 1,075 mm / 59.8 × 33.5 × 42.3 in
Overall Weight	690kg / 1,521lb
Battery 24V	100Ah
Charger 24V	10A

Our advanced pile turner is designed for multifaceted applications, ranging from the lifting of heavy printed materials to turning it upside down. Incorporating cutting-edge zero-pressure technology, it ensures the delicate handling of objects, safeguarding them against any form of damage or ink set-off. The simultaneous execution of lifting and rotating task enhances operational efficiency and safety. Furthermore, its battery-powered mechanism facilitates easy operation by all users, while also maintaining a noise-free environment.

World's Smallest Zero-pressure Turner manufactured
