

Liability Waiver

1. I understand and agree to the following terms and conditions before using the services of LandSight Drones.

2. Permission to Enter Property: I have legal permission from the property owner to be on this land and grant permission to LandSight Drones to be here for the duration of the recovery.

3. Confirmation of Shot Deer: I affirm that I have shot a deer and believe it to be dead or mortally wounded. I understand the service being provided is locating a deer carcass only and not aiding in hunting any living deer.

4. I Will Refrain From Hunting: If the deer is found to be alive, I agree not to hunt or pursue any deer on the property until the following day. In the event of a deer being seriously wounded, but not dead, I will contact my local game warden to plan next steps.

5. Liability Release: I release and hold harmless LandSight Drones, its owners, employees, and contractors from any and all liability, claims, demands, or causes of action arising out of or related to the drone recovery services. This waiver is binding upon me and my heirs, executors, administrators, and assigns.

6. Client Responsibility: The client affirms that they have obtained all necessary permissions and hunting licenses to request this service and remain responsible for compliance with all applicable state and local hunting regulations.

7. Payment Method: Accepted methods: Cash or Venmo.
