Why Should I Rent Flowers?

This rental program is perfect for the bride who desires an uber-lush look of natural, wild, bespoke florals in the full spectrum of crisp and bright white to the deepest and warmest of ivory. We mix in an abundance of varied foliage and accents to bring out a lot of texture and dimension in this fully coordinating set of blooming pieces. This color spectrum is perfect for a range of styles and feels of weddings, as neutral goes a long way for decorating around all seasons. Faux florals are durable and easily reusable, which is why renting these pretty posers seems like a brilliant route to go for some brides! Why toss fresh florals (and money) away, when you can simply borrow, save some money, and still have an impressive look with your blooms when you rent with us!

How Do I Receive my Rentals and How Long is the Rental Period?

We ship your rentals directly to you arrive approximately two (2) days before your event date thru FedEx with Signature Confirmation. Your rentals are ready-made and simply able to be unpacked and ready to decorate your wedding party, pretty tables, and more! We provide a pre-paid return shipping label that is valid for 2 days post-event date. Your rentals can be shipped from any FedEx location, but is only valid for your surrounding area, as it simply is the same cost it took to arrive to you.

**Keep the box(es) and packing materials somewhere safe, as you will need to ship your rentals back to us safely. Plus, that is how we accurately provide the pre-paid return shipping label, based on weight and dimensions.*

What if I Break, Damage, or Lose my Rental(s)?

We surely hope that doesn't happen, but if it does, you can be covered by purchasing our insurance for an additional 20% of your rental item(s) total. If you ship something back to us broken or damaged, then you'll be golden, not charged a penny more, and we'll fix it back up pretty for the next renter. However, if you actually do lose a piece, then you are responsible for that item at the regular price, as we wouldn't have anything to fix or rent to another bride later on. If you do not purchase our insurance and something comes back to us broken, damaged, or lost...you are responsible to cover the full value of the regular price of the item, no exceptions.

How am I Charged for my Rentals?

We will send you a personalized listing link where you can make your payments. We require a non-refundable 50% deposit of your rental cost to secure your desired rental period. Two weeks prior to your event, the full, regular price of your rental item(s) will be due, as that is the incentive for you to send the items back to us and not just keep them at a super-hot price! Once the items are returned to us, then we refund you 70%, as that would equal the "rental cost". Below is a quick example:

Rental List:

(1) 18" Bridal Bouquet | *Regularly \$175* | Rents for \$52.50

(3) 10" Bridesmaids Bouquets | *Regularly \$85/e* | Rents for \$25.50/e

(4) Magnetic Boutonnieres | *Regularly \$15/e* | Rents for \$4.50/e

Rental Total | \$147 (*Rental Cost*)

Deposit | \$73.50 (*50% of the Rental Cost*)

- custom, handcrafted florals for the wedding, home and office -
www.TheFauxBouquets.com | (828) 329-2036
414 East State Street - Redlands, CA - 92373

Due Two Weeks Prior | \$490 (*Regular Cost of Items*) - \$73.50 (*Deposit*) = \$416.50

Upon Receiving Rentals Back | We Refund \$343

$\$490$ (*Regular Cost of Items*) – 70% (*Rental Costs*) = \$343

...bringing you back to only being charged \$147, yippee!

*Remember, if you decided to purchase our insurance, then we would keep an extra 20% of your rental price. Which, in this case, would be \$29.40 ($\$147 \times 20\% = \29.40).

Can I Customize my Rentals?

Unfortunately, no. The rentals we currently have available are sent to you just as pictured. We do not add in other hues of flowers, make them lush or more petite, or even make the slightest changes that you may want. If you want something custom designed, then we would welcome you to explore the route of a custom set being designed especially for you, based off pretty pictures you provide us to design after, just like a fresh florist typically does!

What is the “Fully Decorated Arch”?

This arch is literally, fully assembled, decorated with lots of gorgeous flowers, and oh-so lush! It's quite large, meaning, we can't ship this eye-catcher anywhere. It's perfect for anyone who is local to Redlands, CA and able to transport it to their venue. Please know, we do not deliver even if you are in Redlands!

Alright, “I'm in!” ...How to I Secure my Rental(s)?

Woohoo, send us an email at info@thefauxbouquets.com or call us directly at (828) 329-2036 and we can answer any additional questions that you might have and then get your listing set-up and ready for checking this task off your “to do” list! We do not hold dates and we work off a first secured basis. We look forward to serving you with gorgeous, faux florals!
