The Rotary Club of Idyllwild thrives because of the dedication and generosity of it's members. Together, we've tackled scholarships, community service, food drives, abatement and beautification efforts, but to sustain this momentum, we need more hands to help share the load.

For those who haven't yet taken that first step, now is the perfect time. Volunteering is not just about helping; it's about finding joy, connection, and pride in building a stronger community. Imagine what we could accomplish if more of us stepped forward to support projects like setting up our meetings, breakfast prep, student scholarships, and aid distribution.

Our collective efforts make Idyllwild the special place we all cherish. You are invited to discover the fulfillment that comes from being part of something greater. Together, there's no limit to what we can achieve. Thank you for your dedication and heart.

You are what makes this community a home.

What's your Rotary moment this month?
