Rotary Club

District 5330

### The Cutting Edge:

Wow, last fall we were longing for a good winter to relieve our weak water situation. Be careful what you wish for, I guess! One silver lining is that we have improved our Zoom expertise and equipment and have been told by some district folks that we do it better than most. Many thanks to Eric, Barbara, Dawn and Nacho.

We were finally able to hold a Wednesday social gathering/meeting on the 29th and fifteen brave souls fought the inclement weather to show up at Raj's place. A good time was had by all. The weather looks to be mild for the next week, so maybe we can have in-person meetings for the first week of April and beyond. Keep your fingers crossed!

A brief reminder, any contributions made to the IRCF are tax deductible.
