### Rotary Club District 5330

So far this year, the weather has been a gift of moisture but a curse of ice that can be quite dangerous. Our club has been very active in pursuing new members. The most recent two inducted, Stephanie Yost and Rajiv Panchal have already been working hard and we feel very fortunate to have them with us. The next two likely candidates to join are JoAnn and Hiram Matthews who recently moved here from Texas.

Reba has been very busy inviting prospective members to our evening meetings on the last Wednesday of each month at Silver Pines. She brought four to the last one.

Barbara Larsh, Dawn Plonski and Eric Tracy who comprise our tech and PR group are soliciting photos and info to help them do their jobs. What better way to get recognition than to share a snapshot of an activity with you in it? Check out our facebook page and see what they've accomplished so far.
