Rotary Club

District 5330

The Cutting Edge:

What a nice send off for Christina and Patrick. David and Babs created a fresh melody that has Rodgers and Hammerstein turning over in their graves. It's wonderful to see a great turnout for the evening meeting/social gathering on Wednesday night. Don't miss the next one in May.

One of our newer members, Eric Tracy, has done a fantastic job of updating our club's website, along with our Facebook page. It sports many new photos and well written, informational narratives. Be sure to take a look at idyllwildrotary.com! Kudos, Eric! He is also our resident wizard on dacDB. One of the possible keys to our success is everyone being able to log in to dacDB. If you need help, please contact Eric or David.

Your club breakfast committee is meeting Monday to make a final recommendation for morning meals going forward.

If I could only see the scale,
I'm sure that it would state
That I've lost ounces...maybe **lbs.**
Or even tons of weight.

"You'd better eat some pancakes—
You're skinny as a rail."
I'm sure that's what the scale would say...
If I could see the scale.
