NOTES and NUTS

Exciting News for Idyllwild Rotary!

Since July 1st, we've welcomed five amazing new members to our club! All of them are full-time professionals whose schedules make attending our 7:30 a.m. meetings challenging. Many working Rotarians have expressed interest in evening meetings, and we've listened.

Starting Wednesday, January 8, 2025, we're launching our first **evening member meeting at 5:30 p.m. at Silver Pines Lodge!** Going forward, we'll meet every **second Wednesday of the month** at this time and location. Additionally, our popular evening socials will continue on the **last Wednesday of the month at 5:30 p.m., also at Silver Pines Lodge.**

These evening gatherings are a fantastic opportunity to connect, collaborate, and invite potential members to experience the Rotary spirit. We're excited about this new chapter and look forward to seeing you there!

Humbly, Yours in Rotary Service
