### NOTES and NUTS

#### Monthly Message

It's only February, however the planning for the **4th of July parade** begins. The July 4th parade has been a beloved tradition in Idyllwild for almost 60 years. Every year we tweak the planning process and day-of activities to enhance the parade experience for the community.

Applications will be sent out to the prior parade participants in late March or early April. Parade inquiries start arriving in April from participants excited to make that one mile walk or ride into village center.

It takes several committee members to manage the details of planning a parade. Your ideas are welcomed. Please connect with Nacho or Dawn.

Don't forget to get yourself down to Town Hall on the **2nd Saturday** of the month for Rotary's **Bingo Night**. February we're partnering with Idyllwild Community Center, other partner organizations are noted above. Bingo Night is Idyllwild Rotary's way of supporting many of the other organizations in town that serve to enhance our mountain communities. Know of a group that could benefit from Bingo Night proceeds? Contact Barbara Larsh or Susan Kenworthy.
