THE OFFICIAL FRIENDS ROUND LONDON SPONSORSHIP FORM 2026

At Midnight on 21st February 2026 a mix of convertible cars will be driving the circumference of the M25 motorway with their roofs down to raise money for UK Homes 4 Heroes, a charity that helps ex-service personnel who have fallen on hard times to establish a new life with a new home.

We need your donations, so please sponsor a driver and make a difference to someone's life.
