MERRILL
Precast & Supply, Inc

Our durable concrete lids are designed to securely cover our current style of concrete tanks. Fitted with a heavy duty plastic handle that does not rust or corrode. Each lid features a built-in 4" coupling, allowing customers to easily extend a pipe to the surface for self-monitoring or other needs. Built to last and easy to install, these lids offer a practical solution for a wide range of applications. For additional options or customizations, give us a call.
