

Opportunity: Export Sales Manager

About Us:

Eurocams is one of Europe's leading suppliers of Valvetrain components. We are a family run business with a clear focus on quality.

Established in 1999 and headquartered in Weston-Super-Mare, Somerset, our UK-based company has grown to supply over 3,000 parts for all major vehicle brands worldwide, with a steadfast commitment to quality.

We are looking to recruit an enthusiastic, experienced and motivated Export Sales Manager.

The role will focus on generating sales growth and increasing brand awareness for our range of engine components in Europe and beyond. This would include: developing and onboarding existing prospects; working with existing customers to convert additional business to Eurocams; finding new markets and customer bases, and increasing brand awareness of Eurocams globally.

Essential Requirements:

Experience within the Automotive Aftermarket in a sales environment.

High level of computer literacy, Window and MS Office.

Fluent in English

Ability to work as part of a team with good communication skills

Knowledge of the Global Automotive Aftermarket

Flexibility to travel to visit customers and attend trade shows

Eligible to work in the UK

Desirable Requirements:

Fluent in additional language(s)

Knowledge of engine/valvetrain parts

Location:

This is a hybrid / remote working position but overseas travel and attending trade shows will be required, alongside visits to head office in Somerset as and when required.

Please send your CV and covering letter to development@eurocams.co.uk
