

Sponsorship Opportunities

Sponsoring My Learning Studio OUTREACH with events such as Explore Riverside Together, builds pride and community knowledge that will extend into other communities and encourage others to visit, relocate, and raise a family here.

This year we are not only focusing on our K-12 students, but also our higher education students by helping them fall in love with Riverside. We want all of our students, young and old, to graduate in this beautiful city and raise their families here, which will ensure Riverside's future.
