

Reined Cow Horse Event 2023/2024

State/Province: Ohio

Reined Cow Horse (RCH) is an event of the National High School Rodeo Association and must be offered in the state, district, province programs including their finals. Holding the RCH event is not an option in each program; however, the manner in which the All-Around points are counted is an option. Either option will allow the state/province to qualify a full team of RCH contestants to the NHSFR.

For the 2023-2024 National High School Rodeo Association year, our state/province has elected to handle the Reined Cow Horse event in the following manner:

_____ OPTION 1: RCH event will be offered for each approved qualifying, practice and/or state/province or district rodeo. RCH event may be held in conjunction with the rodeo or held at a different time and location for each rodeo. RCH event must be offered the same number of times as all the other events, such as pole bending, bull riding, etc. If OPTION 1 is used, all points earned throughout the year and at the state/provincial finals will be applied toward the All-Around.

X _____ OPTION 2: RCH event must be offered a minimum three (3) times within each district and/or state/province and their finals. Only the points earned at the finals will count toward the All-Around. Points earned at the qualifying events and the state/provincial finals will be used for the year end RCH Champion.

State/Province is split into districts/regions and holds district/regional finals rodeos? (Check One) YES NO

(This form MUST be filed with the NHSRA National Office before any rodeos for state/province will be approved for the 2023-2024 rodeo year.)
