## WORKSHOPS

### POETIC BREAKDOWN™: “CONQUERING AFFLICTION”

This interactive self-help workshop features a 2-5 minute poetry performance by Hustle Diva that will center on a pre-selected self-esteem topic from her arsenal of themes, which participants will utilize to answer a five-question worksheet designed to encourage them to begin the process of introspection that will inspire their transformation and healing. The worksheet answers will then serve as the core of the subsequent open discussion, where participants will share their responses, what they have learned from the poem, and how they will use their discoveries to change themselves for the better. Recommended for ages 16 and up.

### **POETIC BREAKDOWN™: “SORRY, NOT SORRY”**

Based on her poem “Sorry,” a feisty noncompliance anthem, this combination creative writing/self-help workshop teaches participants how to tactfully stand firm in the face of unsolicited criticism, unauthorized regulators, and the pressure to engage in scenarios and behaviors that do not honor their spirit. Hustle Diva will recite “Sorry” and then ask participants to write a polite but firm response, in their own defense, to a fictitious person in one of four oppressive scenarios provided by Hustle Diva, with two conditions: within their reply, they must not apologize for their response, and they must consistently use “I statements” while conveying their message. Afterward, they will share their responses and engage in open dialogue about how it felt to unapologetically stand up for themselves in their chosen scenario and what, if any, challenges they had while doing so, and how to maintain this skill within real scenarios going forward. Recommended for ages 16 and up.

### **POETIC BREAKDOWN™: “A CRYING SHAME”**

Crying is healthy for you physically and mentally. However, many people avoid or struggle with crying due to an unhealthy mindset. “A Crying Shame” takes participants on an inner-work journey to strengthen their relationship with crying, by shifting perspectives and ultimately gifting themselves permission to engage, without shame, in one of the most natural, healthy functions in life. This workshop, using Hustle Diva’s poem “One Thing’s for Certain,” will focus on four common ways people deal with crying. Participants will utilize a six-question worksheet designed to encourage them to begin the process of introspection that will inspire their transformation and healing. The worksheet answers will then serve as the core of the subsequent open discussion, where participants will share their responses, what they have learned from the poem, and how they will use their discoveries to change themselves for the better. Recommended for ages 16 and up.
