The Blackberry Jam Committee, through the combined efforts of over 1,500 volunteer hours, is presenting the 25th annual Blackberry Jam Festival. The festival will be held the weekend of July 26-28, 2019, in the Rolling Rock Park located in Lowell, Oregon. This is a free festival.

The volunteers of the Blackberry Jam would appreciate your support. It takes approximately \$8,500 to pay for music groups, sound system, sanitation, and publication of the souvenir program.

To continue providing this entertaining family atmosphere we rely on support from businesses and individuals. For businesses we offer advertising in our souvenir program. Copies are printed and distributed throughout Lane County. This is an inexpensive way to promote your business while supporting a good local cause.

Your help, by advertising in our free souvenir program, will offset a major portion of the cost. Additional funding comes from food and craft booth space rentals, event registration fees and donations.

The deadline for advertising is June 1, 2019. You will find the fee schedule for various ad sizes below.

For more information, please contact Diane Stephens at 541-726-6167 or via email at info@blackberryjamfestival.com. Thank you for your consideration!
