It is with great pleasure that I write this letter of recommendation on behalf of Donna Cherry.

I have had the pleasure of experiencing Donna as a performer many times – from Hollywood comedy clubs to huge concert halls – and her ability to engage with an audience is something to behold. Whether in an intimate setting, or in front of thousands, she knows how to connect and truly entertain her audience through her singing, acting and magnificent presence. I mention this because this is part of the package you get with Donna.

Working with each student, she draws not only from years of impressive training and schooling, but from her own experience as a top-notch entertainer. Her style of teaching is based on a vast inventory of knowledge as well as a highly intuitive quality she brings to coaching. I've witnessed her insight and expertise in guiding talented singers as they grow into their greatness.

There is no doubt that Donna is dedicated to the craft of singing and artist development. Donna will be a tremendous asset to whomever she partners with in the future.

Sincerely,
