STOP  
HERE!

## THE BUCKS STOP HERE!

Direct Action Memo:

Join the Movement!

Needs based spending (with 3-day breaks monthly).  
Buy used goods from each other or secondhand shops.  
Buy new goods from small businesses.  
Until we secure a constitutional amendment against  
corporate Citizens United & restrict mega-donors.

Corporations are not people!

Chip in on community care with your time, money,  
and talents. Link up with friends to encourage  
each other as we resist old spending habits.

Together we will  
**BREAK THE CHAINS OF CORPORATE CONTROL.**  
And reshape our systems to **SERVE THE PEOPLE.**  
With us the buck stops here!

PASS IT ALONG!
