

Hailey Gallagher was born and raised in Nashua's Ward 1, where she attended Nashua High School North. Today, she is proud to call Ward 1 home as her and her husband raise her two-year-old daughter, who is the love of their life.

Hailey has long felt called to public service, believing strongly in the importance of civic duty and the responsibility we all share to give back to our community. Inspired by her roots and motivated by the future of Nashua, she wants to help build on what's working and take a fresh look at policies that may not be serving residents as well as they should be. As Alderman of Ward 1, Hailey would be honored to continue the trusted, transparent leadership that we deserve and have come to expect.
