MAP OF PAKISTAN

LET US HELP YOU CREATE A LIFE CHANGING HOLIDAY

The company came into fruition in 2018 as my desire to put Pakistan on peoples radar for the right reasons. I wanted to show people Pakistan through my eyes as I know the country has a plethora of beauty, culture, culinary delights & hospitality to offer those seeking something off the beaten track.

I wanted people from around the world to experience and enjoy some of the great holidays I have enjoyed in Pakistan with my family.

It is also my way of giving back to the people of Pakistan & doing my bit as a Pakistani overseas, which is why a strong emphasis of my itineraries involve working with local boutique hotels and local businesses so that the common man / woman in Pakistan benefits from the tourism I bring in. This also provides you with the most authentic holiday.

OUR SERVICE

Apart from flights, we take care of everything. Our specialism lies in the creation & development of authentic, cultural holidays in Pakistan from the North to the South, whether its food, nature, culture, history or golf you enjoy, we have it all covered.

Once you arrive at the airport in Islamabad or Karachi, you become our guests and our responsibility. We have everything covered from hotels, transportation to all the excursions & guides, so you can just focus on taking pictures, chatting to the locals & basically having a great time. All of our guides have over 20 years experience on the ground and great knowledge about the sites they take you to but also off the beaten track activities like watching truck art being painted on the trucks.

We are proud to be recognised for this & have won 5 awards related to best Pakistan Experience service provider by SME news, best customer service & Adventure Tour Agency of the Year for 3 years running by Prestige Awards.

It's your holiday so our team go above and beyond to ensure that we make it the most memorable experience for you & that you leave the country as brand ambassadors of Pakistan, telling the world how welcoming & culturally rich Pakistan is.

THE SHANGRILA (HUNZA VALLEY), TIBET (BALTISTAN) & LAHORE

Embark on this spectacular voyage at Islamabad, the political and administrative city of Pakistan. Guarded by Karakoram giants, Hunza Valley nestles itself in the lap of snow-capped mountains which makes it a tourist delight. The enchanting Hunza's beauty reaches its peak in the apricot and cherry blossom in spring, the valley turns green in summer and leaves change their colours to red, yellow and orange in the autumn season. The magical Karimabad (Baltit), the formal capital of Hunza Valley has a charm of its own, encircled by breathtakingly beautiful snow-capped peaks, lush green fields, fruit orchards, and the singing Hunza River, the feeling of being here is unmatched. Views from a fairytale like Baltit Fort, the old residence of the Mirs of Hunza standing atop Karimabad are incredibly beautiful. A walk along the Barbar irrigation channel with striking views of Rakaposhi, Diran Peak and Golden Peak add more essence to your journey. The beautiful Gulmit valley surrounded by high mountains and glaciers, and the Passu village known for Passu Glacier, Batura Glacier and Passu Cones are worth visiting. The smiling, welcoming and friendly inhabitants of Hunza truly make your stay at home.

In the second part of the trip, we will explore Baltistan. In the extreme north of Pakistan, Skardu is an epitome of beauty, serenity, and wilderness. It is located amidst an impressive landscape; towering mountains, deep gorges, cascading waterfalls, creeping glaciers, and quiet lakes constitute this rugged beauty. This tour takes us to heaven on earth. Skardu is the gateway to the world's highest peaks, which include K-2, Broad Peak, Gasherbrum I, Gasherbrum II, and hundreds of peaks over 6000 metres high. Encircling the heart-shaped Kachura Lake is surrounded by fruit-laden orchards and flower-filled gardens, and the breath-taking view presents a heavenly atmosphere. The Kharpocho Fort looking down the hills, the crystal clear water of Satpara Lake, the impressive Shigar and Khapulo Forts, and the Deosai, which is the second highest plateau in the world: let's explore beautiful Baltistan, also known as "Little Tibet."

Finally, we will visit Lahore, the cultural capital of Pakistan. Overall, Lahore is a city of steeped in history, culture, and natural beauty. From its magnificent Mughal-era architecture to its lush gardens and bustling bazaars, Lahore has something for everyone. The city is a testament to the rich cultural heritage that is why Lahore is known as "the Cultural Capital of Pakistan". 13th October 2023

One of the best holidays we've had, it was lovely not to see so many other foreigners but what threw us was the hospitality of the people of Pakistan. Peshawar despite being a place advised against travel by the FCO was one of our favourites because of the rich culture and warmth of the people.

Nathan Hale

May, 2023

The service was excellent, due to the flooding in Pakistan in 2022, I decided to postpone my trip to 2023 only 6 weeks before my travel date. Saadia and her team were very accommodating & were able to do this without making a fuss or any penalties....

I love the Trucks in Pakistan and even got to ride in one..

FAQ

- Is Pakistan safe to travel to?

In the main Pakistan is a safe country to travel around, there are some random incidents but this is like anywhere in the world these days. On a day to day basis it is safe to get around especially key cities like Islamabad & Lahore. Like any country one must be vigilant, our team is always aware of the situation so if precautionary measures need to take place these are implemented.

- What do I need to wear?

You can wear western clothes as a woman or man. However it must be remembered that Pakistan is a muslim country so clothes should generally be loose, 3/4 arm length sleeves, skirts or dresses should be below the knees. Hair does not have to be covered except when entering places of worship. Shoes should also be taken off when entering a mosque.

For the North it is best to dress with layers, for Islamabad & Peshawar their seasons follow the UK and temperatures do get cold Oct - March so warm attire is recommended.

- How much money do I need to take?

Eating out & shopping in the main in Pakistan is cheap, particularly at the moment when the currency is so weak. £3 will get you a 3 course meal at a very nice restaurant.

- What's the weather like?

The weather in Sindh, from Multan down to Karachi tends to be hot all year around. The best time to visit this region is Nov - Feb. The Northern areas of Pakistan get very cold with temperatures dropping below freezing. The best to visit this part is April - October. Islamabad, Lahore & Peshawar tend to have similar seasons to the UK, with the need of a coat or cardigan in the winters.

- What's the local currency?

The local currency is Pakistan Rupees, our guide will arrange to take you to a local Bureau De Exchange where you can exchange your currency and get the best rates. We will also help you get a local SIM which you can use throughout your trip to ensure you remain connected without paying exuberant international charges.

- Who can I get travel insurance with?

You can get insurance with Battle Face who cover countries which are off the beaten track.
