England Cricket Tour of Pakistan
October 2024

CREATING LIFE CHANGING MEMORABLE HOLIDAYS

The company came into fruition in 2018 as my desire to put Pakistan on peoples radar for the right reasons. I wanted to show people Pakistan through my eyes as I know the country has a plethora of beauty, culture, culinary delights & hospitality to offer those seeking something off the beaten track.

It is also my way of giving back to the people of Pakistan & doing my bit as a Pakistani overseas, which is why a strong emphasis of my itineraries involve working with local boutique hotels and local businesses so that the common man / woman in Pakistan benefits from the tourism I bring in. This also provides you with the most authentic holiday.

Curating sustainable and socially responsible holidays is also of importance to me.

PAKISTAN - THE PERFECT BACKDROP TO EXPERIENCE CRICKET

The Backdrop

Cricket is one of the first games Pakistani's enjoy and play from a young age, even those who can't afford a bat improvise using a stick as a bat. As the English live and breath football, providing them with moments of escapism and connections, cricket conjures up the same emotion amongst many Pakistani's. It is for this very reason, nothing beats watching a game of cricket amongst crowds who are so passionate whether that's at a cafe or in the stadiums.

The test matches are being played across 3 different towns, Multan, Karachi & Rawalpindi all of which offer unique sights & experiences to enjoy alongside the matches themselves.

“Wonderfully chaotic, beautifully contrary. What a fabulous place. The perception of Pakistan in the UK is so far off the mark. Every moment has been fascinating and the cricket has been superb!”

FAQ ABOUT PAKISTAN

- **Is Pakistan safe to travel to?**

In the main Pakistan is a safe country to travel around, there are some random incidents but this is like anywhere in the world these days. On a day to day basis it is safe to get around, especially key cities like Islamabad & Lahore & the northern areas Hunza, Naran & Kalam. Like any country one must be vigilant, our team is always aware of the ground situation, so if precautionary measures need to take place these are implemented immediately.

- **What do I need to wear?**

You can wear western clothes as a woman or man. However it must be remembered that Pakistan is a muslim country so clothes should generally be loose, 3/4 arm length sleeves, skirts or dresses should be below the knees. Hair does not have to be covered except when entering places of worship. Shoes should also be taken off when entering a mosque.

For the Northern areas of Pakistan, it is best to dress with layers, for Islamabad & Peshawar their seasons follow the UK and temperatures do get cold Oct - March so warm attire is recommended.

- **How much money do I need to take?**

Eating out & shopping in the main in Pakistan is cheap, particularly at the moment when the currency is so weak. £3 - £5 will get you a premium 3 course meal at a very nice restaurant. £750 - £1K for a 16 day trip should be more than enough as many places also take card.

- **What's the local currency?**

The local currency is Pakistani Rupees, our guide will arrange to take you to a local Bureau De Exchange on your first day, where you can exchange your currency and get the best rates. We will also help you get a local SIM which you can use throughout your trip to ensure you remain connected without paying exuberant international charges.

- **Who can I get travel insurance with?**

You can get insurance with Battle Face who cover countries which are off the beaten track.

- **What airlines fly into Pakistan?**

British Airways flies directly into Islamabad. However, Emirates, Gulf, Turkish Airlines, Qatar & Etihad also fly into Islamabad, Karachi & Lahore.
