LET'S US HELP YOU CREATE A LIFE CHANGING HOLIDAY

The company came into fruition in 2018 as my desire to put Pakistan on peoples radar for the right reasons. I wanted to show people Pakistan through my eyes as I knew / know the country has a plethora of beauty, culture, culinary delights & hospitality to offer those seeking something off the beaten track.

It was also my desire to remove ignorance and give back to the people of Pakistan, which is why a strong emphasis of our itineraries involves working with local boutique hotels and local businesses so that the common man / woman in Pakistan benefits from the tourism I bring in. I also feel this provides you with the most authentic holiday.

13th October 2023

One of the best holidays we've had, it was lovely not to see so many other foreigners but what threw us was the hospitality of the people of Pakistan. Peshawar despite being a place advised against travel by the FCO was one of our favourites because of the rich culture and warmth of the people.

Firstly, I can't thank Saadia and her team enough for the amazing experience of Pakistan that they showed me. They helped me at various stages of my trip, everything from: the itinerary, the visa application and ensuring all my needs were looked after whilst in Pakistan. Including checking up that the trip was going as I desired it. So a very very special thank you to the team at Xperience Pakistan for giving me an experience of a lifetime....

FAQ

- Is Pakistan safe to travel to?

In the main Pakistan is a safe country to travel around, there are some random incidents but this is like anywhere in the world these days. On a day to day basis it is safe to get around especially key cities like Islamabad & Lahore. Like any country one must be vigilant, our team is always aware of the situation so if precautionary measures need to take place these are implemented.

- What do I need to wear?

You can wear western clothes as a woman or man. However it must be remembered that Pakistan is a muslim country so clothes should generally be loose, 3/4 arm length sleeves, skirts or dresses should be below the knees. Hair does not have to be covered except when entering places of worship. Shoes should also be taken off when entering a mosque.

For the North it is best to dress with layers, for Islamabad & Peshawar their seasons follow the UK and temperatures do get cold Oct - March so warm attire is recommended.

- How much money do I need to take?

Eating out & shopping in the main in Pakistan is cheap, particularly at the moment when the currency is so weak. £3 will get you a 3 course meal at a very nice restaurant.

- What's the weather like?

The weather in Sindh, from Multan down to Karachi tends to be hot all year around. The best time to visit this region is Nov - Feb. The Northern areas of Pakistan get very cold with temperatures dropping below freezing. The best to visit this part is April - October. Islamabad, Lahore & Peshawar tend to have similar seasons to the UK, with the need of a coat or cardigan in the winters.

NEXT STEPS

- A follow up telephone call to take you through the itinerary
- A deposit of £500 if further work is required to fine tune the itinerary, this will be deducted of the final invoice. We continue to work on the itinerary until you are happy with it and changes can also be made once in Pakistan.
- Deposit of 50% to be paid once happy with the itinerary or we can arrange an instalment plan of 4 payments, if time permits. Final payment would be due 8 weeks before your departure date.
- We would provide you with all the documentation you would need for your visa application which is all done online now and takes 2-3 weeks to process. This would be provided after the 50% deposit payment.
- 3 weeks before your travel date we could create a whatsapp group made up of you, me and the team in Pakistan so that you can greet each other before your arrival in Pakistan. I would be contactable throughout your time in Pakistan, should a need arise for you to contact me, such as any changes in plan to due to ill health or change in interest once in the country. However rest assure that the team are very well versed to help you with all of these aspects.
- I will share video links of vloggers who have covered some of these areas to help you get excited about what awaits you, if you wish, some people prefer to discover themselves.
