LET US HELP YOU CREATE A LIFE CHANGING HOLIDAY

The company came into fruition in 2018 as my desire to put Pakistan on peoples radar for the right reasons. I wanted to show people Pakistan through my eyes as I know the country has a plethora of beauty, culture, culinary delights & hospitality to offer those seeking something off the beaten track.

I wanted people from around the world to experience and enjoy some of the great holidays I have enjoyed in Pakistan with my family.

It is also my way of giving back to the people of Pakistan & doing my bit as a Pakistani overseas, which is why a strong emphasis of my itineraries involve working with local boutique hotels and local businesses so that the common man / woman in Pakistan benefits from the tourism I bring in. This also provides you with the most authentic holiday.

OUR SERVICE

Apart from flights, we take care of everything. Our specialism lies in the creation & development of authentic, cultural holidays in Pakistan from the North to the South, whether its food, nature, culture, history or golf you enjoy, we have it all covered.

Once you arrive at the airport in Islamabad or Karachi, you become our guests and our responsibility. We have everything covered from hotels, transportation to all the excursions & guides, so you can just focus on taking pictures, chatting to the locals & basically having a great time. All of our guides have over 20 years experience on the ground and great knowledge about the sites they take you to but also off the beaten track activities like watching truck art being painted on the trucks.

We are proud to be recognised for this & have won 5 awards related to best Pakistan Experience service provider by SME news, best customer service & Adventure Tour Agency of the Year for 3 years running by Prestige Awards.

It's your holiday so our team go above and beyond, our goal is to ensure that we make it the most memorable experience for you & that you leave the country as brand ambassadors of Pakistan, telling the world how welcoming & culturally rich Pakistan is.

THE AMAZING ADVENTURE OF NORTH PAKISTAN

Pakistan's northern region is blessed with sky rising mountains and in their laps lays the fascinating mountainous valleys with exotic cultures whose people are warm-hearted, with smiling faces and friendly attitude. Settled in mountain gorges along mighty rivers these valleys' landscape is equally alluring with thrilling road drives. With mesmerizing mountain scenery, awe-inspiring adventurous road along the mighty rivers and exotic cultures, this magical journey has been designed to thrill you, charm you. We embark on this spectacular cultural voyage at Islamabad, the political and administrative city of Pakistan. Driving towards north, we stop at Taxila to visit ancient Buddhist Civilization's remains, one of the alluring archaeological sites in the world.

We drive through the beautiful Naran valley to Gilgit, the administrative town of Gilgit Baltistan. The smiling, welcoming and friendly inhabitants of Hunza truly make your stay at home. Views from fairy tale like Baltit Fort, the old residence of Mirs of Hunza standing atop Karimabad, the former capital of Hunza Valley are incredibly beautiful. A walk along Barbar irrigation channel with striking views of Karakoram Mountains adds more essence to your journey.

The beautiful Attabad Lake with its unique blue colour, Gulmit valley surrounded by high mountains and glaciers, and the most scenic Phander valley and its mesmerizing Phander Lake is an experience of lifetime. Crossing Shandur Pass, the highest polo-ground in the world, we will reach Mastuj and then Chitral. Chitral with the unique Kailash Valley (known as the Wearers of Black Robes) – a remaining minority of approximately 3500 people living in three isolated but beautiful valleys known as Bumburet, Rambur and Berir. The people of Kailash have a rich culture and are very headstrong about their identity. These people stand out from the remaining tribes, cultures and communities due to their distinct traditions, religious practices and festivals. After visiting Swat and Peshawar, our trip will conclude in Islamabad, the federal capital of Pakistan.

SOME TESTIMONIALS FROM PREVIOUS CLIENTS

Kathy Montgomery

11th November 2023

...I loved just about everything in my tour, the guide was very knowledgeable & extremely flexible in catering for my needs...thank you Saadia for putting so much effort in planning my itinerary & managing the components. It has been a truly memorable trip in which I have learned so much about the history & customs....

Paul & Tara

13th October 2023

One of the best holidays we've had, it was lovely not to see so many other foreigners but what threw us was the hospitality of the people of Pakistan. Peshawar despite being a place advised against travel by the FCO was one of our favourites because of the rich culture and warmth of the people.

Nathan Hale

May, 2023

The service was excellent, due to the flooding in Pakistan in 2022, I decided to postpone my trip to 2023 only 6 weeks before my travel date. Saadia and her team were very accommodating & were able to do this without making a fuss or any penalties....

I love the Trucks in Pakistan and even got to ride in one..

FAQ

- Is Pakistan safe to travel to?

In the main Pakistan is a safe country to travel around, there are some random incidents but this is like anywhere in the world these days. On a day to day basis it is safe to get around especially key cities like Islamabad & Lahore. Like any country one must be vigilant, our team is always aware of the situation so if precautionary measures need to take place these are implemented.

- What do I need to wear?

You can wear western clothes as a woman or man. However it must be remembered that Pakistan is a muslim country so clothes should generally be loose, 3/4 arm length sleeves, skirts or dresses should be below the knees. Hair does not have to be covered except when entering places of worship. Shoes should also be taken off when entering a mosque. For the North it is best to dress with layers, for Islamabad & Peshawar their seasons follow the UK and temperatures do get cold Oct - March so warm attire is recommended.

- How much money do I need to take?

Eating out & shopping in the main in Pakistan is cheap, particularly at the moment when the currency is so weak. £3 will get you a 3 course meal at a very nice restaurant.

- What's the weather like?

The weather in Sindh, from Multan down to Karachi tends to be hot all year around. The best time to visit this region is Nov - Feb. The Northern areas of Pakistan get very cold with temperatures dropping below freezing. The best to visit this part is April - October. Islamabad, Lahore & Peshawar tend to have similar seasons to the UK, with the need of a coat or cardigan in the winters.

- What's the local currency?

The local currency is Pakistan Rupees, our guide will arrange to take you to a local Bureau De Exchange where you can exchange your currency and get the best rates. We will also help you get a local SIM which you can use throughout your trip to ensure you remain connected without paying exuberant international charges.
