

Updates and News

Hello Everyone!

Wow, it's July! Where has the year gone?

It only seems a few months ago that I was telling you about our 2022, 12 Days of Christmas Pack and now it's only a few months until it ships. I guess when you are busy, time flies.

We are currently working on winding our silks for the Autumn Seasonal pack and Madi has been busy wrapping parcels for our 12 Days packs. We have nearly 1/2 of them wrapped and ready. Jaime is busy working on other little bits and pieces for you and I'm working on another component of the packs. We do still have a few packs not spoken for if anyone is interested in those.

There is still time to subscribe to the rest of our Seasonal packs for this year. The Autumn pack will ship in September. Prices are US\$40 or AUD\$55 per pack plus shipping. Each pack contains 6 x 45 metre mini hanks and the quantity of silk in these packs would retail for approx US\$70, so these packs are definitely value for money.
