

Updates and News

Hello Everyone!

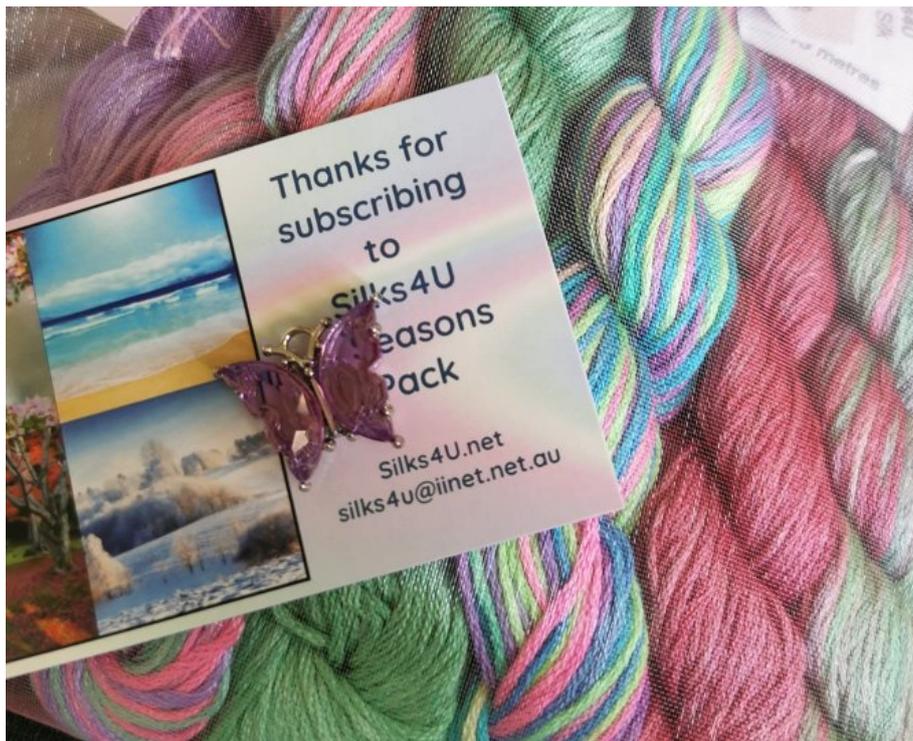

Time seemed to get away from me in May and since I was a few weeks late writing a newsletter, I decided to wait until the end of the month and combine the May and June editions.

We have been really busy here at Silks4U dyeing silks for our Summer

Seasonal pack that ships in June. Do do have one or two spots still available so check out the information below if you are interested.

As well as working on the Seasonal packs, We have been busy dyeing, winding and tagging silks for our 12 Days of Christmas pack and preparing all the extra little bits and pieces we will be including. It's going to take a lot to beat the gorgeous colours of our Peacock pack last year but we are working to produce a beautiful pack with a few surprises.

As I mentioned above, there is still time to subscribe to the rest of our Seasonal packs for this year. Our Summer pack will be shipping in June. Prices are US\$40 or AUD\$55 per pack plus shipping. The quantity of silk in these packs would retail for approx US\$70, so these packs are definitely value for money.

Shipping Update!

We are really happy to announce that shipping times are nearly back to normal to most countries. It's taking around 2 weeks for delivery right

now and some orders to the US in less than 2 weeks, so that is a big improvement.

Unfortunately, we are still unable to ship off our Monthly Packs separately without the shipping cost being over \$15 each, so those are still shipping out in bulk.

While I am talking about our Monthly packs, please contact us if you don't receive your pack by the third week of the following month. For example, Jaime just shipped the May packs, so if yours isn't there by the third week in June, please let us know.

We've had a few subscribers tell us they are missing a few packs and that is sad but we can't do anything about it if we don't know. We will work with you to either recover the packs or reship them to you. It seems that the USPS is rejecting some of our 'Card' envelopes and some are returned to Toni each month. She is repacking them and reshipping.

Jaime's Colour of the Month for May - PR190 is above and is a beautiful blue violet. The June Silk - PR191 is a lovely variegated hank of Summer jewel tones. The June Colour will be in our 3 stores, with a 20% discount for 1 week, starting on Monday, May 30th.

You can find the links to our store on our website at silks4u.net

If you haven't already been to our Silks4U Facebook page, go and 'share', 'like' and 'tag a friend' for your chance to win the first hank of this lovely colour. Winner will be drawn on Monday.

The best selling colours this Month are....

Top Left - PR044, Top Right - PR070, Bottom Left - PR123 and Bottom Right - PR124

Silks4U Clubs

There are a handful of 2022 - 12 Days of Christmas Packs unclaimed if anyone would like to subscribe to those.

Price is US \$110 or AUD\$140, plus shipping and this price represents quite a discount over what you would pay individually for the items included. A US\$30 (AUD\$40) non refundable deposit is due when you subscribe to this pack.

Payment plans are available!

As the name suggests, there will be 12 individually wrapped packages all numbered, with one to be opened each day up to Christmas. Join in the fun and receive some great gifts.

We introduced our Mystery Boxes back in April and they were a great success and from the feedback we received, customers were very happy with them. We will have more for sale later in the year, so watch for those.

Some good news for those of you ready to shop. Every order over \$50 placed in any of our 3 stores during the month of June, will go in the draw to win a \$100 gift card. If you have been keeping a wish list, now is the time to go shopping. The Winner will be drawn on July 1st, from all the orders over \$50 that were placed from June 1 to June 30.

That's it for this month. If you have questions about anything above, anything Silks4U related or have any comments to make, please don't hesitate to email me at silks4u@iinet.net.au

**All the best!
Jo & Jaime**
