

Updates and News

Hello Everyone!

Spring has definitely sprung and Summer is well on the way here in Tropical North Queensland. I hope those of you in the Northern Hemisphere, who have been suffering through the heat are finally getting a little cooler weather. We've seen on the news the horrible heat waves in the UK and US this past Summer.

I was walking around my garden this morning and my plants and orchids love this weather and are putting on a lovely display with many more yet to open. I'll add a few photos I took this morning below.

Covid struck last month so we ran behind for a few weeks but have caught up again now. Jaime is still suffering some after effects but is finally on the mend.

Our Autumn Packs are ready to ship and invoices for those went out this morning. We do still have a few packs not spoken for if anyone is interested in those. Prices are US\$40 or AUD\$55 per pack plus shipping. Each pack contains 6 x 45 metre mini hanks.

We do still have a handful of our 12 Days of Christmas packs not spoken for, so if anyone would like to subscribe to those, just email. You can find all the details these and all the packs we offer, on our website at Silks4u.net

A sneak peek of our 2022 pack is below.

I have two Colour of the Month's to show you as we didn't manage to get a Newsletter out last month due to the dreaded Covid.

In previous years we had shown some of the wonderful stitching our customers had done and we miss showing everyone the beautiful work. Please consider sending us photos of Your finished work, or even In Progress photos, that we can show to all our subscribers.

Email your photo, the name of the Designer and the colours you used in the piece to us at our email address below.

This stunning Long Dog Sampler, 'Do Different', was stitched by Ann Westbrook and posted on the Silks4U Stitches FB Page. I hope Anne doesn't mind me showing it to you. It took Ann 7 months to complete on 22ct. Hardanger fabric using Silks4u PR174.

That's it for this month. If you have questions about anything above, anything Silks4U related or have any comments to make, please don't

hesitate to email me at silks4u@iinet.net.au

All the best!

Jo, Jaime and Madi.
