Dear Family, Friends, and Colleagues,

I am pleased to announce that I have accepted an offer to become a Board Member of the Band Members Advocacy Alliance Association of Canada. I am the new Director of Communications, I work directly with BMAAAC President, and Founder, Robert Louie, DipIPSM, BA, LLB, LLM as well as legal firms matched with Band Members across nine provinces and three territories. I have the privilege to speak to the Press and issue communications on behalf of BMAAAC.

BMAAAC helps Band members get access to justice to hold Chiefs and Band Councils accountable. Although BMAAAC is driven by indigenous people, its membership is open to the general public, too.

Our mandate is to advocate on behalf of Band members in Canada that are experiencing poor governance by their Chief and Council. We achieve our mandate by retaining lawyers to take cases to court and mediation hearings for and on behalf of Band members. We also retain lawyers to provide legal opinions for Band members. Our experienced in-house team is here to help Band members across Canada.

Presently, I am working with a BMAAAC law firm preparing for an active Federal Supreme Court Charter Rights challenge, as well as Provincial Supreme Court challenges related to the plight of Band Members across Canada.

Sincerely,

Brandon Gabriel, BFA,  
Board of Directors, Director of Communications,
