

MEET ME AT THE MOVIES

We welcome you and thank you for attending this evening's performance. We always enjoy offering a unique concert and this evening is no exception. Tonight's concert features music from a wide array of movies. It is our hope that you will enjoy both the movie clips that we have selected, as well as the live music meant to bring each film to life.

Popcorn, candy, and water are available in the lobby for your enjoyment. Also, please submit your names to win one of two gift baskets we have available. Each basket contains three movies, popcorn, candy, and a Genesee Chorale CD.

Enjoy the show!
