## Dining

Deer Valley's commitment to exceptional dining experiences has not changed during this unprecedented time. In our efforts to keep our guests and staff as safe as possible, our on-mountain and evening indoor dining operations have been altered with tables spaced for physical distancing and limited capacity. Grab and Go options are available, allowing for take-away and there is first-come, first-served seating on outdoor decks or in heated tents. All outdoor decks that are not tented are outfitted with firepits and heaters to accommodate additional outdoor seating.
